

MD ABSHAR AHAMAD

Aspiring Full-Stack Software Engineer with a strong foundation in web development and an intermediate-level understanding of technologies such as HTML, CSS, JavaScript, React, Bootstrap, Tailwind CSS, MySQL, MongoDB, Node.js, Express.js, and EJS. Passionate about building scalable, responsive, and user-friendly web applications. Java is my best and most familiar language, and I am eager to apply my knowledge to develop efficient backend and fullstack solutions. Looking for an opportunity to contribute, learn, and grow in a dynamic development environment.
